### REMARKS

Claims 22-23 and 26-37 were pending in the application. Claims 22 and 27 are amended, and claim 37 is cancelled. Claims 22-23 and 26-36 are now pending. Favorable reconsideration and allowance of this application is respectfully requested in light of the amendments and the foregoing remarks.

#### 1. **Objections to the Claims**

The Examiner objected to the claims 22, 23, 26-36 because of informalities. Specifically, the Examiner suggested amending claim 22, line 16-17 and claim 27, lines 20-21 to read "location positioned laterally outwardly from said first pivoting location relative to an axis extending centrally and longitudinally through said mainframe along said draft direction". Applicant has amended claims 22 and 27 to suggested change. Accordingly, withdrawal of the objection is respectfully requested.

#### 2. **Rejections under 35 U.S.C. 103(a)**

Claim 37 stands rejected under 35 U.S.C. 103(a). Claim 37 was cancelled, accordingly, withdrawal of the rejection is respectfully requested.

#### 3. **Indication of allowable subject matter**

Applicant wishes to thank the Examiner for indication that claims 22, 23, 26-36 are allowable.

### CONCLUSION

It is submitted that claims 22-23 and 26-36 define patentable subject matter. A Notice of Allowance is therefore respectfully requested.
